Video: Go Green or Go Home
The Writing Process

(publishing)

When a writer is ready to publish, the end is in sight! It's time to take your writing live in whatever format you are ready to share.

In this video, you learn important questions to ask yourself before sharing your work:

- What is my purpose for publishing?
- How should I publish my work?
- Who is my audience?
- What rules or guidelines do I need to consider?
