

INTRODUCTION

SPOT: Accurate Author, Part #2

Examining Aspects of Accuracy

When anyone can post to the Internet or self-publish, how can you trust that the author knows what he/she is talking about? What happens when the author presents opinion as fact or fails to present an alternative viewpoint? Can you recognize bias? Join the Accurate Author and **learn important points you can consider when determining accuracy in nonfiction text.**

In this SPOT, you will learn about:

- author's sources
- acknowledgements
- bias
