

## QUESTIONS TO THINK AND TALK ABOUT

### SPOT: Accurate Author, Part #2

*Examining Aspects of Accuracy*

#### Questions to Think and Talk About After Viewing the SPOT:

- What are important sources authors use when conducting research?
- Why is it important for authors to acknowledge experts who help them?
- When might an author's bias be an effective writing technique?
- Why is it important to check to make sure an author is being accurate when he/she writes? Why is this especially important when gathering information from a website?
