Strategic Reading: Thinking About Your Thinking

Good readers know that their reading and writing should make sense. They use strategies to help them. Join the scientists at Author Labs and **learn important benefits of being a strategic reader.**

In this SPOT, you will learn that strategic readers are able to:

- organize, evaluate, and elaborate upon information in text
- improve attention, memory, and communication
- take control of learning
- ask, "Am I getting it?"
- apply reading strategies to any subject
