Video: Public Speaking Panic

Alessandro, Isabella, and Arianna have to give a speech at the Community Council's Awards Ceremony, thanking the board for choosing them for a scholarship to music camp. Unfortunately, they are feeling nervous about giving this public speaking address in front of so many people. To help, Mr. Philips has agreed to review their notes from speech class, listen to their outline for their speech, and offer some potential suggestions.

Now it's your turn. Watch the video and listen to Alessandro, Isabella, and Arianna's plans for their speech. Based upon their plans, create your own outline for this speech.

Then compare your thinking with Alessandro, Isabella, and Arianna's **speech outline**.
