Making Sense of Literacy

INTRODUCTION

The Beat of the Street

Setting
(*realistic fiction*)

Help Ava decide when and where to set her play. Perhaps New York's Times Square will be the perfect choice. Join the Knowledge Seekers and **learn how authors create believable settings, especially in the works of realistic fiction.**

In this video you will learn how authors:

- use description and present tense verbs to signal time
- use sensory words to help readers visualize place
- use active voice to establish a setting's mood
