Making Sense of Literacy

## QUESTIONS TO THINK AND TALK ABOUT

**SPOT: Kris Q'Lumbus**  
*Question-Answer Relationships*  
(in the book: *think and search*)

### Questions to Think and Talk About After Viewing this SPOT:

- What are some words that signal *In the Book: Think and Search* questions?
- What type of thinking do you need to do in order to answer *In the Book: Think and Search* questions?
- How does exploring the text help you determine the answer to an *In the Book: Right There* question?
- Why might it be helpful to notice a question is an *In the Book: Think and Search* question type?

View the related SPOTS: *Q Law*, *Q'Lock Holmes*, and *Quoda* to learn about other question types. View the related video: *Literacy Olympics* to see how Martin applies this QA4 strategy when he reads.
