

## QUESTIONS TO THINK AND TALK ABOUT

### SPOT: Q'Law

*Question-Answer Relationships  
(in the book: right there)*

### Questions to Think and Talk About After Viewing the SPOT:

- What are some words that signal *In the Book: Right There* questions?
- What type of thinking do you need to do in order to answer *In the Book: Right There* questions?
- How does scanning the text help you determine the answer to an *In the Book: Right There* question?
- Why might it be helpful to notice a question is an *In the Book: Right There* question type?
