

INTRODUCTION

Video: Setting the Stage

Setting
(overview)

Ava is eager to write her first play, but isn't sure where to start. Kimberly suggests a helpful website. Join the Knowledge Seekers on stage during set construction and **learn several aspects an author considers when choosing a setting for his or her story.**

In this video you will learn:

- aspects of settings
- how settings influence characters, plot, and mood
- why accuracy and credibility of settings are important
