

INTRODUCTION

Video: Bird Buffet

*Sequence Nonfiction Text Structure
(life cycle)*

Sam is looking for the perfect bird feeder for her grandmother's birthday. While they're shopping, Josh hatches a moneymaking idea. Join the Knowledge Seekers as they THINK ALOUD and **learn how authors use Sequence text structure to put events in order, specifically life cycle.**

In this video, you will learn to:

- think about sequencing events, specifically life cycle
- identify signal words
- create graphic organizers
